Dear Friends & Supporting Churches—

The Holidays have come and gone again, and we look forward to all God has in store for us this year! We had a wonderful Christmas with the kids here in the home. I'd like to say a special thank you to Bro. Tony Finney and his members at First Baptist Church of Conestee, SC. They were able to give the kids a special Christmas present by taking up enough money to send them to Dollywood and Dixie Stampede in Pigeon Forge, TN. We rode plenty of rides and the kids had a blast. What a joy it was for me to see them have so much fun, but boy, was it cold! As you know, the cold was not going to keep us off a roller coaster!

We also got a lot of snow in the month of January, which is very odd for us. You can imagine the tons of fun we had sliding down our Carolina hills.

On another note, we would ask that you continue to pray for us regarding the new kids we'll be get-

ting in this month. We received a lot of calls, but, sadly, we can't take them all. Pray for us that God would give us wisdom concerning this matter: who to accept and who to reject! I hate that word, but it is true we don't have room for them all. Pray for those who cannot come, that God would lead them to the right place.

We have several meetings booked for this year, and I'm so excited about what God is going to do! I still believe:

"Call unto me, and I will answer thee and show thee great and mighty things which thou knowest not." -Jer 33:3

Id ask that all of you please pray for me that God would give me wisdom this year concerning special meetings and youth revivals. After all, that's what it's all about — Souls being Saved. I'm not looking for mere professions, but genuine conversions. Pray God would help us be a bright and shining light for the youth of America!

Your Servants in Christ,

I was recently at the Victorious Valley Baptist Church, and the boys and girls home. I have always enjoyed preaching to these good people. God's hand is still on this great work. I want to thank all of you for continuing to support and pray for this work.

My Pastor, Bro Tony Finney, had Bro. Jason Casey, the Pastor of Victorious Valley, to preach at our church before Christmas, and he did a great job. I was glad I got to hear him, and I am really impressed with this young man. Thank God for all the boys and

girls that get saved and get help through this work.

GIRLS HOME AND HELP TESTIMONY

Hi, my name is Callie McSorley and I'm 18 years old. I am one of the many miracles that have come through Victorious Valley, but it's nothing that I've done. It's all because of the mercy and grace of God. I thank Him that He chose me out of the millions to come to this ministry. This place

"I am by no means where I should be as a Christian, but I do thank Him for loving me regardless of my frailty"
-Callie McSorley

has been my home since I came here two years ago. The people here loved me and treated me as family, and I didn't have a clue as to why. I didn't know much about the Lord at all, but that soon changed.

After three months of being in the girls home, hearing the Word of God preached three or more times a week, reading the Bible daily, and much more, I knew I needed Him. He saved my soul and changed me. I'm glad He never gave up on me, though many times I rejected His knocking. It's only by His grace that I'm where I am today. Sometimes I try to take the credit for the great change in my life, but It's all because of Him. I am by no means where I should be as a Christian, but I do thank Him for loving me regardless of my frailty.

Now, He's allowing me to stay at the home and help out, which is exactly what I wanted to do. I love this home, and even though sometimes the going gets tough, God is still good. I ask you to please pray for me to be what the Lord wants me to be. Thank You!

BOYS HOME TESTIMONY

Hi, my name is William Moody. I was saved when I was six years old, but I didn't give my whole heart to God. I found out how miserable a person can be if you're saved but haven't given everything to God. I hurt a lot of people I really love and care about, because I still loved my sin. I knew exactly what I was doing, and I was not only torn by knowing what I needed to do to get things right, and not wanting to change my life, but I was also disgusted with myself for hurting my family the way I did.

Once I knew that God wanted me here, I then wandered, "How was I going to tell my family?" They had sent me away to two different places, and were prepared and excited about finally having me back home. Then, about a month ago, I found out that around the same time God started preparing my heart for staying, He was also doing the same in their hearts. In fact, they flat out asked me if I wanted to stay on as a staff member before I mentioned anything!

Then, my Dad decided to send me here to Victorious Valley, and my life completely changed. I gave everything to God, and He has continually blessed me every day. He has shown and is still continuing to show me how real He is in my life. He has not once let me down, and I know that He never will.

"Once I knew that God wanted me here, I then wandered, "How was I going to tell my family?"

-William Moody

It amazes me how real God can be. He has come through for me every time I needed him, and He is the best friend I've ever had. I daily thank God for being so good to me. I just hope that He'll continue to use me in whatever way He sees fit.

—William Moody

I've been at the Home for close to two years, and God has given me a burden to help the boys here as they come through the program. At first, I didn't really think that He wanted me to stay any longer than necessary, but over time He has shown me through His Word and by arranging circumstances that He wants me to stay.
